### Hamlet Act V Comic Strip

Using the dialogue and stage directions from the fencing tournament, create a play-by-play blueprint of the unfolding of Claudius and Laertes' plan. Using the lines from the play, summarize what happens and create at least a stick figure representation of the action that has occurred. Label the figures as follows:

C=Claudius  
L=Laertes

H=Hamlet  
G=Gertrude

Ho=Horatio  
F=Fortinbras
