## **Literature Circle #2 - Final Meeting** **Individual Response**

You will be writing the answers to these questions for me to read. I'll be sure to write some comments so you feel like you talked to someone about your book. You should provide two answers/responses where indicated. **Your answers should be several sentences; remember you are discussing the book.** This activity will count as one quiz grade.

**By the end of the book, in what ways has the main character succeeded? In what ways does that same main character suffer or lose?**

Response:

**Where there any surprises in your book? Did the author try to set you up for the surprise by dropping hints earlier in the story?**

Response:

**Which character changed the most? How?**

 Response:

**Name a character with a trait you admire. Explain why. Does the character have any negative qualities? (Identify them.)**

 Response (about one character):

 Response (about another character):

**Name a character with a trait you dislike, and explain why. Does the character have any positive qualities? (Identify them.)**

Response (one character):

**Identify a specific place in the story where the meaning of the book's title becomes clear.**

Response:
