## "St Lucy's Home for Girls Raised by Wolves" Stage 2 Quick Write

Using the prompt, analyze the details of Stage 2 in relation to the requirements of survival at St. Lucy's. Focus on evidence presented in Stage 2 only. While this is not a full essay, write in paragraph form, using multiple body paragraphs as necessary. Create a clear topic sentence (with the TAG), use transitions, and draw together your ideas with a closing, clincher sentence. Maintain a semiformal tone and follow the conventions of standard written English.

- Practice paraphrasing <u>once</u> (use your own words) instead of always quoting directly from the text
- Use parenthetical citations with page numbers only
